TOWN SPENT \$5,000 UNDER 1958 BUDGET

Gettysburg borough ended 1958 approximately \$5,000 under its budget for the year according to the treasurer's report presented at Monday evening's meeting of council at the engine house. Discussion began immediately on the 1959 budget which will be presented by the finance committee at the February session.

Treasurer John H. Basehore reported expenditures of \$122,118.34 last year. The budget amount was \$127,000.

Basehore's report showed \$14,862.76 was spent for general government, \$44,462.25 for protection to persons and property, \$1,458 for health and sanitation, \$35,626.25 for highway purposes, \$14,861.40 miscellaneous, and \$10,487.68 for electricity.

The town ended the year with a balance of \$36,325.83 to carry it over until taxes begin to flow in next summer.

December Expenses

Income during December totaled \$5,657.64 and expenditures were \$8,320.34. Largest amounts received during the month were \$2,410.25 from the meter fund and \$1,295.24 from Burgess Wilbur Plank.

At Monday's meeting Council President H. M. Oyer urged all council committee chairmen to turn in estimated budgets for their departments to the finance committee headed by Councilman Mahlon P. Hartzell Sr. "So the finance committee can present a realistic budget next month."

Councilman C. Donald Rebert said "We hope to keep the highway budget right where it was last year, but if we get a lot of snow to remove we'll be in trouble."

Orchestra Asks Funds

Councilmen Rebert and Hartzell were asked to meet with the Recreation Board to study its proposed budget.

Two requests were presented to council for inclusion in the budget. (Continued On Page 3)

ADAMS COUNTY DELINQUENCY CASES DECLINE

The number of cases of juvenile delinquency in Adams County declined in 1958 according to the report of Probation Officer D. M. Anderson, released by the Adams County court Monday.

Sixty-nine youths, 61 boys and eight girls, appeared before the court on delinquency charges in 1957. Fifty-four appeared in 1958 for hearings, 35 boys and 19 girls. During 1957 there were 38 placed on probation, 31 boys and seven girls. In 1958 there were 25 placed on probation, 14 boys and 11 girls. In 1957 11 were committed to institutions, ten boys and one girl; in 1958 there were nine committed, six boys and three girls. The report also showed that in seven cases of delinquency and two motor violations, involving 19 children, the charges were all dismissed for lack of sufficient evidence.

15 Are Repeaters

The report showed that of the 124 youths appearing before the juvenile court, 54 on the delinquency charges and 70 on traffic charges, during 1958 only 15 were repeaters.

The motor violations report showed that of the 61 boys and nine girls appearing before the court 39 had their operator's licenses suspended by the court. The 70 on motor code charges compares to 65, 51 boys and 14 girls, before the court on traffic charges in 1957.

According to the report three of the boys enlisted in the armed forces and the juvenile court aided four youngsters to enter schools of advanced education without expense to the county or the individual.

A number of the youngsters were directed to save some of the money they earn. The probation office kept the bank books for (Continued On Page 7)

SPEAKS AT BIGLERVILLE

The Rev. George M. Walborn, missionary to Argentina, will present a program in St. Paul's Lutheran Church, Biglerville, Friday evening at 8 o'clock. The Rev. Mr. Walborn and his wife will show slides of their work in South America. Mrs. Walborn will exhibit a collection of dolls in native dress. The Rev. Dr. H. W. Stern, pastor, and the United Lutheran Church Women of St. Paul's Church will participate. The public is invited.

COMMITTEES ARE NAMED BY KIWANIS CLUB

The Gettysburg Kiwanis Club Monday night completed its plans for the ladies night event next Monday when club officers will be installed. At their meeting Monday the Kiwanians heard Dr. D. L. Radsma, local physician, speak about Indonesia. He related that Indonesia was populated about 1000 B. C. by Malaysians whose idea was that agricultural products belong to everybody. This was the case before the Communists took over.

He described the country as agricultural and said chief interests of its people are music and dancing. He advocated allowing more Indonesians to come to the U. S. for education. These students, he said, "are the best carriers of the story of a democracy in action to their country."

Guests at the meeting were Bernard Rehmeier, Dale Hill and Stephen Shoemaker.

Mrs. Raymond Deitz Is Buried In N. Y.

The Rev. and Mrs. Reginald W. Deitz, Hay St., have returned from Berne, N. Y., where they attended funeral services Monday of Mrs. Carrie W. (Whitaker) Deitz, 66, mother of the Rev. Mr. Deitz, who died suddenly of a heart attack December 30 at Sarasota, Fla.

The Rev. and Mrs. Deitz and their family had gone to Florida the day after Christmas for a holiday with the Rev. Mr. Deitz's parents who have been residing at the Penny Farms in Florida. The elder Mrs. Deitz was stricken suddenly and died within an hour while the family group was vacationing at Sarasota.

A memorial service was held in Florida and then the body was taken to Berne, near Albany, for final services and interment.

Surviving are her husband, the Rev. Dr. Raymond C. Deitz, a retired Lutheran pastor; and these other sons and daughters: Mrs. Norman Roper, Oneonta, N. Y.; the Rev. Charles Deitz, Massapequa Park, Long Island; Raymond C. Deitz Jr., Deansboro, N. Y.; and William Deitz, Rensselaer, N. Y.

7 Student Airmen Die In Syracuse Dorm Fire

SYRACUSE, N.Y. (AP)—Fire killed seven student airmen and injured at least 13 others in a barracks dormitory today.

Winds up to 50 miles an hour fanned the flames through the one-story barracks, which housed 45 Air Force men assigned to Syracuse University to study the Russian language.

The names of the dead were withheld, pending notification of next of kin.

The headquarters of the men was Wright-Patterson Air Force Base, Dayton, Ohio.

The building "went up like a matchbox. It was awful," Peter Dowling, a survivor, said. Dowling, 25, Kalamazoo, Mich., was one of those taken to a hospital.

Forty-five Air Force men were in the barracks at the university's Skytop housing development on a hill overlooking the city.

Firemen were hampered by wind gusts, blowing snow, and temperatures 6 degrees above zero.

NEW POLICY ON PAYING FINES BEGINS JAN. 20

Gettysburg will begin enforcing its new policy of fines for parking and traffic violations January 20, Burgess Wilbur L. Plank told borough council at its meeting Monday evening in the engine house.

The ordinance increasing the amount of the fine for late-payers was passed December 1, but Burgess Plank explained enforcement of the new ordinance could not be put into effect until new "red tags" were printed, giving details of the new fine schedule.

Current violators have until Jan. 20 to pay a \$1 fine to the burgess.

Delay Hiking Fines

Under the new ordinance traffic violators have 48 hours to pay a \$1 fine. After that, for the next eight days, the fine is \$5, and after the ten-day period the matter is referred to justices of the peace and the cost will be around \$15.

Plank said he plans a meeting with the police force January 19 to discuss the new ordinance, and issue the new parking tickets.

The burgess presented to the chairman of the safety committee a letter from Guile W. Lefever, chairman of the borough's Civil Service Commission, listing three men certified as eligible for appointment as borough police. They are: John Lawver, 163 E. Middle St.; Ray Breighner, 45 E. Middle St.; and Dale Myers, 104 Baltimore St.

Temporary Officer

The burgess reported that he had appointed Lawver as a special policeman to temporarily fill the vacancy caused by the death of the late Luther A. Stevens. He will serve until council fills the vacancy.

No mention was made of two policemen, Daniel Miller and Clarence H. Cluck, who are said to have been "off duty" for several days.

When the burgess was asked, after the meeting, about the two officers he said:

"Say they are on vacation."

PASTORS HEAR ABOUT AA AND ITS PURPOSES

The program of Alcoholics Anonymous and its purposes were described to members of the Adams County Ministerium at their January meeting Monday at the Memorial EUB Church here. Dr. Paul L. Reaser, president, presided at a business meeting that followed.

James B. Schwenk spoke on "Alcoholics Anonymous, Their Work and Objectives" and stressed the organization's attempt to follow a program of "recovery" with its chief objectives being "sobriety for ourselves, help for other alcoholics who desire it; amends for past wrongs; humility; honesty; tolerance and spiritual growth." He added: "We welcome and appreciate the cooperation of the medical profession, the clergy and the public in general."

A question period followed his talk. Attention was called to the current observance of the Universal Week of Prayer in communities of the county and it was reported (Continued On Page 3)

Santa Claus Kicks Out Window Panes

A plywood figure of Santa Claus, which had been chained atop the center of the front of the Gettysburg High School building since before the Christmas holidays, was ripped from its moorings by strong winds Sunday night.

As it tumbled to earth from the roof, it broke five panes of glass in a first floor window in the home room or Miss Jean M. McAnally and two more in the basement classroom of Donald B. Tiziani.

The west wind swept into those two rooms and added to the difficulties of heating the building for the first day after the holidays. The weather was too cold for workmen to replace the glass and cardboard was installed temporarily. Class schedules were maintained but some classes were moved from their regular rooms to more comfortable sections of the big building.

CALL FBI IN ON VANDALISM IN PARK HERE

The Federal Bureau of Investigation will be asked to investigate recent vandalism on the Gettysburg Battlefield, Superintendent James B. Myers said today.

Decision to call in the FBI was made because of an apparent increase in vandalism in the park. Most serious damage so far has been to the 10th Massachusetts marker on Sedgewick Ave., near Little Round Top. There vandals not only pried loose a metal rifle from a stack of four, but bent bayonets, and twisted the entire structure atop the monument.

No Money Till July

A new metal rifle will have to be moulded in the form of the other rifles on the monument and the entire structure will have to be reformed and straightened to resume its normal appearance. Superintendent Myers said that the current budget does not contain sufficient funds for restoration of the marker and as a result it will be impossible to effect repairs prior to July.

At Oak Ridge, a bronze knapsack was pried off the monument of the 90th Pennsylvania, and attempts were made to pry loose a rifle on that marker. Superintendent Myers said the difficulty is obtaining a replacement for the bronze knapsack in order to restore the monument to its normal appearance.

On two occasions recently stones have been hurled through the windows of the Bryan House on Hancock Ave.

In addition there has been the "normal" vandalism that continually plagues the park as people attempt to remove cannon balls from clusters, and otherwise damage markers and monuments either with a mistaken idea of obtaining souvenirs or for "sheer cussedness."

REV. SIMMONS WILL PREACH THIS EVENING

The Rev. C. Reynolds Simmons, pastor of the Gettysburg Church of the Brethren, will be the preacher at the union week of prayer service to be held this evening at 7:30 o'clock in the Trinity United Church of Christ.

The service will be the third in the series that opened Sunday and will close Friday evening. On Wednesday evening the Rev. Dr. W. C. Waltemeyer of the Gettysburg College faculty will be the preacher.

On Monday evening the preacher was the Rev. Harry L. Fehl Jr., pastor of the Memorial EUB Church, and the service was conducted by the Rev. Harold Myers, pastor of the Gettysburg Four-square Gospel Church. The song leader was Charles Robie.

College Is Given \$4,000 By Du Pont

Gettysburg College is among 17 colleges and universities in Pennsylvania sharing in grants in E. I. du Pont de Nemours & Company annual program of aid to education, the firm announced in Wilmington, Delaware, today.

Gettysburg College will receive \$4,000. This grant consists of \$2,500 for chemistry teaching and \$1,500 for other courses. The colleges selected to receive the grants "were chosen on their records of strength in chemical education."

The purpose is "to help them maintain their success in the field."

Break Ground For Telephone Building

Cold weather did not stop the ground-breaking Monday for the new United Telephone Co. building which is to be erected at the corner of W. Middle and West Sts. District Manager John E. PROMOTION OF TRAVEL URGED ON ROTARIANS

The work of the Gettysburg Travel Council was outlined Monday evening by Walter B. Lane, president of the council, and G. Henry Roth, publicity committee chairman, at a meeting of the Rotary Club at the YWCA.

Noting the forthcoming centennial of the Civil War, the two said Gettysburg will need to increase its nationwide publicity "by every possible means" to keep tourist attraction at a high point during the years when "the centennials of the battles in the South are being marked." At that time every effort will be made to urge tourists planning to attend the southern battle anniversaries to include Gettysburg in their trip.

The expected bypass of Gettysburg will also require an increase in promotion of the battlefield as a tourist center, it was said, because, as Lane put it, "while the four-lane bypass will make it easier for tourists to come here, they must not get off the bypass."

The Rotarians were told that "as a tourist attraction, Gettysburg is in competition with all other tourist attractions. The American public will go somewhere, we must seek to interest it in coming here in preference to other attractions."

The motion picture, "A Story Of Gettysburg," made by Lane and Roth under auspices of the Travel Council and Chamber of Commerce, was shown at the conclusion of the talks.

Lane noted that the Travel Council is an affiliate of the Chamber of Commerce, "carrying on the travel promotion end of the work."

President David Blocher presided with 53 present. James McLaughlin, Seven Stars, was introduced as the new high school member. Vice President John MacPhail announced that Dr. C. Harold Johnson will have charge of next week's meeting. John Hostetter led group singing accompanied by Dr. Frederick Shafer at the piano.

Driverless Vehicles Involved In Mishaps

Borough police investigated an accident early this morning on Carlisle St. with damage totaling \$100 to two driverless vehicles.

Police said William E. Larzelera, Seneca Falls R. L. N. Y., had parked his 1957 Ford station wagon on Carlisle St. heading north and a tractor-trailer truck parked behind his car. The truck driver, Franklin Lutz, Fredericksburg, Pa., is said to have gone to a nearby diner at 5:30 o'clock.

The brakes on Lutz's rig gave way and pushed the station wagon over the railroad tracks denting the car slightly and displaced three drain covers near the tracks. Both tailights of the vehicle were also broken police said.

The 45th annual meeting of the Adams County Agriculture Extension Association will be held Wednesday evening at 7:30 o'clock in the York Springs Elementary School auditorium.

Reports will be made by the following: Nominating committee, Myles Starnes; revision of by-laws, Joseph Stoner; "My 4-H Story," Audrey Yingling from the Barlow 4-H Club; dairy farming and extension service, Mervin Myers, Littlestown R. 2; home economics, Mrs. Helen D. Tunison, extension home economist; agriculture, Frank S. Zettle, county agent.

Fred Robertson, extension agriculture economist from Pennsylvania State University, will talk on "The Challenges of a Changing Agriculture."

President Howard Waybright will welcome the group and Harold McCollough, assistant extension director, will talk briefly.

LIONS SHOWN FILM ON COLTS' VICTORY IN NFL

Gettysburg Lions Monday evening heard a talk by Herbert C. Wright, public relations director for the Baltimore Colts, and then saw films of highlights of the Colts' games with the New York Giants in which the Baltimore team won the NFL title in a "sudden death" playoff.

Wright described Johnny Unitas as the "greatest quarterback in pro football today and if he keeps his health he may surpass Otto Graham to become one of the greatest of all time." Wright said the Colts will start training in July, about a week earlier than usual because of their All-Star game in August. He predicted about 20 recruits will be in camp (Continued On Page 3)

Divided Legislature Opens Strife-Periled Term Today

HARRISBURG (AP)—A politically-divided Legislature opened its 143rd session today in an atmosphere of pomp and ceremony—but with indications already of months of strife ahead.

Desks and rostrums of the House and Senate banked high with flowers provided a colorful setting for the opening ceremonies steeped in tradition—swearing in of the legislators and election of officers.

Democrats chose the veteran representative H. G. Andrews (Cambria) for his second term as House speaker. Republicans tagged another veteran senator, M. Harvey Taylor (Dauphin) for his eighth term as president pro tempore. Both are 82.

But behind the scenes the Democratic-controlled House and the Republican-ruled Senate were deadlocked over the first issue, one of patronage.

Republicans want Burt R. Glidden, Denver, Lancaster County, retained as director of the Legislative Reference Bureau, the Assembly's bill drafting agency. The post pays \$12,000.

Democrats, however, favor Edward R. Hannestad, Glenoiden, Senate.

LOCAL POLICE ISSUED 5,000 RED TICKETS

Gettysburg policemen made 124 arrests on criminal charges, 177 arrests on traffic charges and handed out more than 5,000 "red tickets" for parking violations during 1958, according to the annual reports of the chief of police and burgess presented at Monday evening's meeting of borough council at the engine house on E. Middle St.

Chief of Police Jack Bartlett said the officers investigated 73 automobile accidents, two of which were fatal, made 301 arrests, 124 on criminal charges and 177 on traffic charges, investigated 2,551 complaints, provided 247 escorts, assisted other departments 550 times, found 29 of 43 lost wallets, recovered 19 of 25 stolen bicycles, recovered eight cars while five were reported stolen in the town, and found 22 of the 22 persons reported missing during the year.

Burgess Reports
The burgess report showed collection of \$5,234 in parking fines which would indicate that the officers must have given out at least that number of the \$1 tickets. The annual report of the burgess showed total income of \$17,439.40 through his office. Among larger sums were the \$5,234 from the parking tickets, \$1,080.10 from 104 building permits, \$6,408.25 from digging permits, \$3,469.06 theater tax, \$10 from rental of borough equipment, \$216 moving bills collected, \$476.64 from taxi (Continued On Page 3)

DIES IN FLORIDA

Roy Chapman, Orrtanna, received word today of the death of a brother, Clyde, aged 63, a native of Orrtanna, at Orlando, Fla. Mr. Chapman died Monday night after a lingering illness. Further information awaits the arrival of a son here later today or Wednesday.

Invited Chairmen

Commander Culp announced that Publicity and Scotland School Committee Chairman William T. Timmins Jr., Essay Contest Chairman Attorney John MacPhail, Blood Donor Chairman Richard L. Fox and Civil Defense Co-Chairmen Donald Staub and William G. Weaver are asked to attend a Central Judicial Section meeting of the American Legion Sunday at 2:30 p.m. at Post 143, New Cumberland, where the appropriate state heads of the committees will help plan activities in the various committees for the year.

Reports at the meeting showed Rev. John Fry, chaplain of the post, has been admitted as a patient at the Carlisle Army hospital. Adjutant William T. Timmins Jr. reported 501 paid up members for 1959 which he said was "a little ahead of last year at this time." Reports on the Kiddies' Christmas Party showed 400 present for that event.

Accepted as new members of the post were Karl H. Stello, New Oxford R. 2; Robert G. Browning Jr., Gettysburg R. 5, and Peter Yavosky, Aspers. Named as members of the Veterans Club, made up of men who served in the armed forces but are not eligible for American Legion membership were Paul W. Slaybaugh, Bendersville, and Robert D. Morecraft, Carlisle.

TOWN COUNCIL ASKED TO DROP THEATER TAX

Gettysburg borough council Monday evening at its meeting in the engine house was asked to cancel the town's theater tax.

A letter from Sydney J. Poppay, former manager of the Majestic Theater here and now a regional York and other cities have even absolved the theaters from property taxes because of the crisis in the theater industry.

"Because of television," Poppay said, theaters are "finding it difficult to remain in business and the theater tax may mean the difference between a theater continuing and closing."

Ten years ago the theater tax totaled \$7,947. In 1958 the tax amounted to \$3,469. No action was taken.

Codify Ordinances

Councilman Harold Ecker reported "progress" on the establishment of a sanitary landfill for the disposal of Gettysburg's debris. He said "cold weather is holding up testing, otherwise I think the development company would be in operation now." He said he anticipates the landfill will be in operation by February 24, the date set by the state for closing of the town dump.

A lengthy discussion was held on the need to codify and make make available the borough ordinances. Borough Solicitor Eugene V. Bulett said: "At the present time the public is at the mercy of the borough solicitor and the borough engineer because there is no place that the public can go to read the ordinances and it is too difficult to find anything in the ordinances available."

The discussion indicated a number of ordinances "must be missing because we paved streets and put in sewers for which we can not find ordinances now—but we must have had them when we did the work," according to Borough Engineer Lefroy H. Winebrenner.

Councilman George Naugle reported that Carlisle is having its ordinances codified and revised (Continued On Page 3)

LEGION PLANS BANQUET FOR HONOR GUARD

Plans for the annual stag banquet for the Honor Guard were outlined Monday evening at a meeting of the Albert J. Lentz post of the American Legion in the American Legion Club, Baltimore St.

Commander Harold W. Culp said the Post 202 Honor Guard will hold its dinner session in the club home next Monday at 6:45 o'clock. Members of the honor guard are to notify either Commander Culp, Richard Fox or Richard Finkboner, the committee in charge, if they cannot attend.

Fox and Finkboner and Paul Spangler were named to represent the post on the Adams County Home Auxiliary.

Preliminary plans were discussed to send two local youths to the Pennsylvania American Legion Keystone Boys Camp this summer. Previously only one was sent. Dr. Frederick Tilberg, post historian, was named chairman of the committee on arrangements.

SCHEDULE 4 SS MEETINGS FOR OFFICIALS

Four meetings of county officials who may be placed under Social Security have been announced by the Adams County Commissioners' office.

Meetings will be held at 7:30 p.m. at the court house on January 12 and 14 for the county's tax collectors and the jury commissioners. Similar meetings will be held at the same place and time for the assessors and court attendants on January 19 and 21.

Commissioners clerk Crosby N. Hartzell said that at the meetings the Social Security regulations will be explained by the commissioners and clerk and Attorney Charles Wolf. At that time the various groups of officials will be asked whether they wish to join Social Security and if approval is given by a majority all will be entered.

"All Or None"
Hartzell explained that "Social Security is an all or nothing matter. Either all the assessors must be entered in Social Security, or none can be, and similarly with the assessors, court attendants, etc. Each group must be in 100 per cent or not at all."

He said the commissioners feel that the decision on whether or not to enter Social Security should be up to the persons involved and who will have to pay their own proportionate share of the cost of the Social Security.

STUAB JOINS COLLEGE STAFF

President W. S. Paul of Gettysburg College has announced the appointment of Ronald D. "Pete" Staub, assistant to the director of public information. Staub began his duties on January 2.

In addition to assisting Raymond S. Davis, director of public information, Staub will also assist in public relations work and radio programs presented by the college.

A native of Hanover, Staub served four years in the United States Air Force after graduating from Hanover High School.

Following his military services, Staub entered Gettysburg College and was graduated with a Bachelor of Arts degree in 1956. He was elected to Phi Beta Kappa, honorary scholarship fraternity.

Prior to joining the college staff, Staub was employed as an announcer with radio station WHYR in Hanover.

He is married to the former Helen Barley of Gettysburg, who is a junior at Gettysburg College. Staub is the son of Mrs. Goldie S. Staub, 219 Maple Avenue, Hanover.

CCC TO ELECT '59 OFFICERS

A covered dish supper will be served at the Gettysburg Country Club Thursday evening at 6:30 o'clock. It was announced today by Paul R. Knox, chairman of the committee on arrangements.

Following the supper the annual reorganization meeting will be held when officers will be elected.

Each member will bring a covered dish and the club will furnish meat, rolls, and coffee.

All members of the club are urged to attend.

"These reorganization meetings are important and all members should make an earnest effort to attend," Knox said. "Every member should have a voice in the election of the men who guide the club, the officers," he added.

Daniel J. Wolff is the current president. Knox is vice president, Kenneth G. Reinhart Jr. is secretary and William Jacobs is treasurer.

Meetings Ahead For General Paul

Gettysburg College President W. S. Paul is scheduled to attend several education meetings this month.

This week he is attending the annual meeting of the Association of American Colleges in Kansas City, Mo., which opened Monday and ends Thursday. Saturday, he will address a meeting of the Gettysburg College Alumni Association executive council in Lancaster.

On January 15 and 16, President Paul will attend a meeting of the Foundation for Religious Action in Washington, D. C., and on January 26 and 27, a meeting of Presidents of Colleges on Council for Financial Aid to Education in Pittsburgh. He will end his itinerary for the month by addressing a meeting of the Philadelphia Gettysburg Alumni Club on January 31.

TRUCK DRIVER HURT

William C. Foreman, 45, Taneytown, was treated Monday at the Warner Hospital for multiple lacerations of the right index and middle fingers received when a valve became stuck on a tank truck. He is employed as a tank driver by Morris Zentz, Keymar, Md.

HAVANA (AP) — The provisional government announced today it will dissolve Congress and the criminal courts and rule by decree until free elections can be held.

The decision was taken at a meeting of Provisional President Manuel Urrutia and his Cabinet.

WASHINGTON (AP) — Soviet Deputy Premier Anastas I. Mikoyan was reported today to have assured the United States of continued free Western access to Berlin.

Such a pledge would go to the heart of the current East-West tension over Berlin's future. It would signal a major concession by the Kremlin to the West's objections to Soviet demands to make a "free city" of Berlin.

WASHINGTON (AP) — U. S.

recognition of the new provisional government in Cuba is expected momentarily, diplomatic sources said today.

The State Department said officially it has received a cabled request for recognition from Roberto Agramonte, secretary of state of Cuba.

LONDON (AP) — The Soviet cosmic rocket Mecha is more than half a million miles from the earth and has practically entered orbit as the solar system's first artificial planet, the Soviet Union announced today.

Alexander Topchiev, vice president of the U.S.S.R. Academy of Sciences, told a Moscow news conference that the 1½-ton projectile is now 310,700 miles beyond the moon.

WASHINGTON (AP) — Republican House leaders made an 11th hour compromise offer to young GOP insurgents today to share party leadership responsibilities in the chamber.

The offer, expected to be rejected, was proposed to head off a direct challenge to the reign of Rep. Joseph W. Martin Jr. of Massachusetts, GOP floor leader for 20 years.

Winter's coldest blasts buffeted the Northeastern states today causing widespread death and destruction.

The bitter cold brought freezing temperatures to portions of northern Florida, but the Miami weather bureau said indications pointed to only slight damage to crops.

WASHINGTON (AP) — Sen. Margaret Chase Smith of Maine joined a meeting today of Republican senators in rebellion against a Senate leadership they contend is out of touch with the times.

The group, headed by Sen. George D. Aiken of Vermont, is backing Sen. John Sherman Cooper of Kentucky for GOP floor leader over Sen. Everett Dirksen of Illinois.

CHICAGO (AP) — Field Enterprises, Inc., owners of the Chicago Sun-Times, has bought control of the Chicago Daily News for an estimated 16 million dollars.

Marshall Field Jr., head of Field Enterprises and editor and publisher of the Sun-Times, and John S. Knight, editor and publisher of the Daily News, made the announcement jointly Monday.

ANN ARBOR, Mich. (AP) — Dr. Jonas Salk, who developed the anti-polio vaccine that bears his name, today recommended a fourth shot to increase immunization against crippling infantile paralysis.

DELAY ACTION IN TWO CASES

Two desertion and nonsupport cases scheduled for Monday afternoon in Adams County court were continued in each case for six months when it appeared the couples plan reconciliation. In each case if there is no further action in the case within the six months the matter will terminate.

The cases were those against Boyd K. Sieg, Chippewa Falls, Mass., and Benjamin Thomas, Gettysburg R. 3. Thomas was given two months in which to pay the costs.

The desertion and nonsupport charge against Howard E. Hankey, 124 W. Middle St., was dismissed and Hankey was given two months in which to pay the costs after the couple reported they were reconciled.

A support petition against William Kline, Hanover R. D. was continued to February 2. Continued to February 2 was the scheduled sentencing of Frederick T. Alland, Gettysburg R. 5, on three charges of "doing acts shocking to public morals."

A hearing was held on the petition of Robert N. Helm, Hanover, against Catherine C. (Helm) Sweeney, Littlestown R. 1, alleging she was in contempt of court for failure to permit him to see his child as ordered by the court. Following a hearing in which Mrs. Sweeney testified that she had taken the child to the place set three times and the father failed to show up and that finally he had told her he would notify her later the petition was dismissed with the costs placed on Helm.

Bartlett Heads Tri-County FOP

Jack Bartlett, Gettysburg police chief, was installed as president of the Tri-County Lodge, Fraternal Order of Police, at the group's annual reorganization meeting Sunday in the VFW home.

Others installed were: Vice presidents, John Adler and James Kepner, Carlisle; secretary-treasurer, Police Chief J. Byers Schlichter, Chambersburg; trustees, State Trooper Charles Moyer, Carlisle; Chief Edward Still, Carlisle; and Chief L. A. Killinger, Wormleysburg; guard, Patrolman William Johnson, Chambersburg; conductor, Patrolman Kenneth Rife, Chambersburg.

John Harrington, Philadelphia, president of the State FOP, was in charge of installation. Mrs. Virginia Shanholzt, Carlisle, was installed as president of the auxiliary of Tri-County Lodge during a meeting of the auxiliary, also held at the VFW. Other auxiliary officers for 1959 include Mrs. Sara G. Schlichter, Chambersburg, guard, and Mrs. Susan Armstrong, Chambersburg, trustee.

LIONS SHOWN

(Continued From Page 1) and said "some of them will make the team."

The Lions were shown the film record of the second and fourth quarters of the game with the Giants and the "sudden death" playoff. The film had been received Monday at Colt offices in Baltimore and replaced a film on 1957 season highlights that had been promised to the local club. Wright was introduced by Edward J. Nowicki Jr., program chairman.

Two new members of the club were introduced. They are Charles Lawver, Singer Sewing machine company manager here, and Clair Day, of the ROTC staff at Gettysburg College. Both will be formally inducted later.

President John C. Stahle presided and announced plans for the club's 35th anniversary banquet to be held January 19 at the Hotel Gettysburg. The club voted a membership in the Adams County Home Auxiliary.

The meeting was held at the Shetter House with 86 Lions and guests in attendance.

FAIRFIELD TO KEEP TAX RATE

The Fairfield borough council Monday night approved its 1959 budget and set its tax rates, holding the line to the same levy which has applied in recent years. The budget estimates expenditures at \$7,425. The tax rate on real estate was set at 20 mills and on occupations at 15 mills.

The new budget reflects a balance of \$3,190.54 from 1958 and anticipates these receipts: Taxes, \$5,560; taxes from prior years, \$300; licenses and permits, \$50; liquor licenses, \$150; county aid, \$328.02; state aid, \$900, and refunds, \$50.

The anticipated expenditures thus: General government, \$1,300; protection of persons and property, \$2,100; health and sanitation, \$25, and highway construction, repair and maintenance, \$4,000. A balance of \$3,103.56 is anticipated at the end of 1959. The low anticipated cost for health and sanitation is accounted for by the fact that the borough has surrendered administration of health laws to the state.

All members of the council were present. Under discussion was the addition of an as yet unnamed street to the borough highway system, but no action was taken.

DROP PLAN FOR M-D CAMPAIGN

A proposal that the county firemen join in a united Muscular Dystrophy drive next year was abandoned at Monday evening's meeting of the Adams County Firemen's Association at Biglerville.

Discussion from the floor indicated that a number of companies engaged in current drives to pay for ambulances and new equipment and quarters felt "one more drive, no matter how worthy, would be just too much."

It was voted that, as in the past, those companies wishing to conduct a Muscular Dystrophy drive would do so on their own. Plans were outlined for a fund campaign to raise about \$300 for use of the county association. Members were informed that the increase in death benefits to \$75 "is effective as of January 1."

Preliminary plans were made for the April meeting and August convention session, both to be held at Bonneauville.

President Harry F. Biesecker presided.

RELIEF FROM COLD IS SEEN

Winter's most severe cold wave numbed the Eastern half of the nation today but some relief from the icy blasts appeared on the way from the Rockies to the midcontinent.

At the same time, stormy weather diminished in the far West where strong winds, rain and snow swept through the Pacific States southward to Southern California Monday.

The season's coldest weather, in the wake of snow and strong winds, spread from the Appalachians to the Atlantic Coast. It was below zero in sections of the Northeast. The Southland shivered in freezing weather as far south as northern Florida.

Skies were generally clear from the Rockies to the Atlantic Coast. The bitter cold that moved into the Rockies last week and spread across the eastern two-thirds of the nation was blamed for at least 44 deaths in 14 states.

FORFEIT FINES

Among those recently forfeiting fines in Westminster on motor code violation charges were: Eugene A. Pence, Taneytown, \$11.45, exceeding 50 miles; Charles G. Shriner, Emmitsburg, \$16.45, speed too great; Arthur G. Roberts, Littlestown, \$11.45, exceeding 50; Glenn D. Tipton, Gettysburg, reckless driving; Michael G. Klein, Taneytown, \$25 and costs, reckless driving; Robert L. Bowers, Taneytown, \$11.45, speed greater than reasonable.

Delay Fare Hike In Conshohocken

HARRISBURG (AP) — A five cent fare increase proposed by the Auch Inter-Borough Transit Co., Conshohocken, to become effective next Monday, was suspended Monday until July 12 by the Public Utility Commission.

The PUC said the suspension was necessary to hold an investigation and public hearings to determine whether the increase is justified.

The firm seeks to raise rates from 15 to 20 cents on bus rides in the Conshohocken - Norristown area. No change was proposed in the 10-cent school fare.

The proposed raise would give the company an estimated \$17,000 a year in additional income.

were mostly fractions to about a point.

A correction in the market's latest upsurge was regarded as healthy by market analysts who noted that the market is "not a one-way street." The business news remained good.

Want Bus Stops In York Springs

The Public Utility Commission has scheduled a hearing on Tuesday, January 13, at 10 a.m. in Hearing Room No. 1, Ground Floor, East Wing, North Office Building, Harrisburg, on a petition signed by residents of York Springs to have the former Capitol Bus Co. service restored from the bypass to old Route 15.

Persons interested in this service may appear at the hearing and state their position.

Bus service directly into the borough was discontinued recently but buses stop along the four-lane bypass which skirts the town on the south.

Ask Backing For Council

Support was urged for the new Adams County Council of Churches which will have its first annual meeting January 15 in the Gettysburg Church of the Brethren. It was noted that the county ministerium will become a part of the council and that much of the work now carried on by the ministerium will become projects of the Council of Churches.

The host pastor, the Rev. Harry Fehl Jr., conducted the opening devotions for Monday's meeting.

On February 2 the ministerium will meet in St. Paul's United Church of Christ in New Oxford, when Dr. Abdell Ross Wentz, former president of the Gettysburg Lutheran Theological Seminary, will speak on "This Changing Ministry."

Obedience Course For Dogs Planned

Obedience training for dogs and their handlers will be given in a series of classes which begin Wednesday, January 14, at 7:30 p.m. in the Adams Electric Cooperative Building, N. Stratton St., with James R. (Bob) Logan, R. 4, as instructor.

The classes are being sponsored by several local dog owners and are open to all breeds of dogs, eight months and older and without previous training. Two-hour sessions will be held each week. The course will aim to train a better behaved pet and to teach obedience work for showing. An obedience trial will be held at the conclusion of the course when dogs will receive their diplomas.

Logan has had 22 years experience in the training of dogs. He was in the K-9 Corps for two and a half years during World War II and received the Bronze Star in Italy for his work with scouting dogs.

Information about the obedience training course can be had from Mrs. John Hamilton, phone Fairfield 156-R-6.

at a cost of approximately \$2,900. The ordinance committee was instructed to inquire as to its cost.

Building Code

Councilman Robert Fidler presented the national building code as a possible guide for a new building code for Gettysburg. He said he did not feel Gettysburg wanted to adopt the entire "national code."

Councilman Glenn Guise said he failed to see the necessity of "digging up past ordinances. If nobody knows what they are or where they are obviously they are not being enforced and we don't need them."

Council discussed a building permit for the new Warner Hospital wing. Council last month changed the building code specifically to meet the problem posed by a chimney built at the hospital. Burgess Plank and Winnebrenner said the construction firm at the hospital has not made a new application for a building permit. M. Hardy Nichols, president of the Little League, asked permission to construct a fence around the Little League field in Recreation Park. The fence is to be paid for by advertisements appearing on the structure. Council asked the Recreation Board to make a recommendation on whether permission should be given.

A letter from the law firm of Brown, Swope and MacPhail, representing the school authority, was read stating that the school authority will soon start proceedings to annex ten feet along E. Broadway between Harrisburg St. and Fourth St. into the borough so the town can increase the width of the street in front of the school to 40 feet.

NOTE ON DIAPER MAY BE CLUE TO KIDNAPT BABY

NEW YORK (AP) — A widespread search for a kidnapped infant has shifted to Coney Island after a note with a foreboding message was found pinned to a diaper in a subway station there.

The unsigned note, found Monday in the women's room of the station, read:

"Please return to St. Peter's Hospital. Didn't want to hurt anyone. Everything is so hard. Tired. Sick. The ocean is so inviting. Maybe now I will find peace. I tried to keep her warm. Dear God forgive me."

St. Peter's is the hospital miles away in downtown Brooklyn where the baby daughter of Mr. and Mrs. Frank Chionchio was kidnapped Friday night, only 2 1/2 hours after birth.

May Be Crank

Police were aware the note might be the work of a crank, but hoped it might provide some lead to the baby's whereabouts.

Except for the note, the search remained fruitless.

It was difficult to determine if the note-bearing diaper had clothed the Chionchio child.

When some of the baby's garments were found in a vacant store in Brooklyn Saturday, a diaper was not among them.

Police are convinced the abductor is a frustrated mother. They are checking hospital records for the names of women whose children died at birth.

Seek Two Women

The kidnaper is believed to be a heavy-set blonde, between 30 and 35, who was seen at the hospital Friday night.

Police watched for two women fitting the description whose backgrounds single them out.

One is a New York City woman missing since Thursday, who had been a patient in a mental hospital.

The other is Mrs. Betty Jean Benedict, who took a baby from a San Francisco hospital in 1955 and returned it nine days later. She is also wanted for a parole violation.

Gas Company Sets Delivery Record

Delivery of more than a billion cubic feet of natural gas set a new Manufacturers Light and Heat company record for the Pittsburgh Division.

In 24 hours ending at 8 a.m. today Manufacturers Light and Heat Company broke a December 11, 1958, record high of 966 million cubic feet according to Manager Julian N. Estep.

Availability of 420 million feet of gas from Manufacturers' underground storage reserves was the decisive factor in setting the new company record for the official day.

Deliveries on the coldest day to date ran about six times higher than 1958's lightest day, July 4, when Manufacturers moved only 168 million cubic feet.

JAILED FOR HEARING

A. Ross Nipple, 68, Gettysburg R. 3, was arrested by borough police this morning at 1:45 o'clock and lodged in the county jail on a hearing this afternoon on a disorderly conduct charge filed before Justice of the Peace Robert P. Snyder.

BOLTS PLAY SATURDAY

Littlestown and Big Spring will play their basketball game, originally scheduled for Friday, at Littlestown Saturday evening. The game was postponed because of a preaching mission being held in Littlestown this week.

BROWN IS UNSEATED

PHILADELPHIA (AP) — Judge Adrian Bonnelly, 69, has unseated President Judge Hazel H. Brown as head of Municipal Court.

Bonnelly, senior member of the court's Board of Judges, is a Democrat. Brown, who has been president judge for five years, is a Republican. The jurists voted the change at a special meeting Monday.

APPLY FOR LICENSE

Charles E. Diffenderfer, Chambersburg, and Sylvia Jean Forsythe, Orrtanna R. 1, have filed application for a marriage license in Chambersburg.

MADRAS, India (AP) — Veteran Indian statesman Sir Mirza Ismail died of a heart attack at Bangalore Monday night. He was 75. Mirza was prime minister of the princely state of Mysore from 1911 to 1926 and of Hyderabad in 1946-47.

TOWN SPENT

(Continued From Page 1)

Dr. William Sebastian Hart, director of the Gettysburg Symphony, told of plans of the 85-member organization for the coming year and asked borough help in financing the orchestra. Last year Dr. Hart said he paid the expenses.

C. P. Keefer, county superintendent of schools and president of the board of the Adams County Free Library, told council "the library needs more money if it is to continue to meet the demands of the people. We hope council can raise its annual contribution to the library from \$1,000 to \$1,250." Mrs. Oren Wilson, librarian, said Gettysburg residents used 64,000 volumes last year.

Study C of C Requests

Councilman George W. Naugle reported progress on study of recommendations of the Chamber of Commerce concerning establishment of borough parking lots and "possibly a swimming pool on the Recreation Field." He said money for the activities could probably be raised through the sale of bonds by the Municipal Authority, but that "payment of the bonds would have to be reflected in the borough budget." He said he is asking appraisements of costs and possible methods of raising funds and will report to council later.

Burgess Wilbur L. Plank said he will present to the finance committee plans for expansion of his office hours to a 9 a.m. to 5 p.m. daily basis, which would involve additional clerical costs.

Plank said the new ordinance on paying parking fines "necessitates having someone here to receive the fines over a longer period of the day."

Also for consideration by council is the new pension plan for policemen as provided by law. A state law now requires a pension plan which provides half pay for men who have 20 years service and are over 60. The present pension plan for the police, which does not at no cost to the borough.

Council has been discussing the possibility of Social Security for the policemen if the legislature provides enabling legislation. Social Security will involve some cost for the borough.

Increase Valuation

An increase in the assessed valuation by approximately \$40,000 was reported. Hartzell said the assessed valuation of the town for 1959 is \$4,961,534 compared to \$4,921,064 a year ago.

Hartzell, for the finance committee, also reported the first activity in the Eicheberger and Stahle fund in a number of years. Set up to help the "poor people of the community," the funds provide about \$207 income a year. Hartzell said \$199.03 was spent in providing food and clothing for 13 families "and the paying of a half month's rent for a widow lady. The 'relief' was given near Christmas and 'they seemed to appreciate it.' Administered by the late D. C. Stallsmith for many years, the fund lay idle for some years after his death because council had not appointed anyone to administer it. This year the administration was placed in the hands of the finance committee.

rental and license fees, and such income as \$17 for 17 battlefield guide licenses, \$33 for 33 restaurant licenses and \$12.50 from the sale of five borough maps.

The December police report showed six arrests on criminal charges during the month, five traffic arrests, investigation of four accidents, and 208 other complaints. The officers provided 36 escorts, assisted other departments 42 times, found five of nine lost wallets, two of two stolen bicycles and one of one missing person.

The burgess's report for December showed collections totaling \$1,295.24 including \$493 from parking fines, \$152.90 for 10 building permits, \$284.49 theater tax, and \$63 for rental of borough equipment.

Cyclist Injured Fatally In Skid

Injured Saturday afternoon when his motorcycle overturned and dragged him 34 feet along the concrete surface of the Lincoln Highway, Allan Sydney Hafer, 23, Chambersburg, died Sunday night at the Chambersburg Hospital.

Hafer became Franklin County's second highway victim of 1959.

Franklin County Coroner J. D. Goshen attributed Hafer's death to head injuries. No inquest appeared likely since only the victim's cycle was involved.

Police said today they could not establish a cause for the accident which claimed Hafer's life. He was traveling east on the Lincoln Highway through the Stouffertown-Stricklerdale area at 4:35 p.m. Saturday when he apparently lost control of his cycle as it reached a patch of ice. The cycle flipped onto its side and skidded, dragging Hafer with it.

Removed by ambulance to the hospital, Hafer was found to have a severe skull fracture and multiple severe cuts about the face and chin. He did not regain consciousness.

taking his text from Thessalonians, "Give thanks in all circumstances," the speaker said that "thanksgiving is possible because God wills the things for which we can be thankful."

Observing that it is not always easy to "give thanks and rejoice," he warned against "self-centered prayers" and the danger of forgetting to be thankful. "We ought to give thanks daily in general prayers of thanksgiving for creation, our daily blessings, for being among God's elect and for His mercies we enjoy. Prayer gives direction to our souls and helps us live each day more sincerely and more effectively for Christ."

The special music Monday evening was a duet by Misses Evadne Crider and Lois Ferrence. Accompanying them at the organ was Mrs. Audrey Numemaker. Miss Alice Snyder, Trinity Church organist, played for the service. The benediction was given by the host pastor, the Rev. Dr. Howard S. Fox.

The Rev. Edwerth Korte, Gettysburg College chaplain, will conduct this evening's service.

Out Of The Past

From the Files of the
Star and Sentinel and
The Gettysburg Times

FIFTY YEARS AGO

Editor's note: This marks the first time that the incidents related in the 50 year ago column are reprinted from "The Gettysburg Times." Previously the "50 Years Ago" items came from the "Star and Sentinel." "The Gettysburg Times" was established in 1902 but a fire years ago destroyed the files for the years preceding 1909. The first edition of The Times on file notes is Volume VII, No. 62 and is dated Friday, January 1, 1909. Across the top of the paper is the slogan "You can help the general prosperity of Adams County by buying in the county everything you use."

The newspaper was six columns wide, with the first two columns of the front page devoted to advertising. At the top of the page is an advertisement noting "Write this first in Your 1909 Diary, Eckert's Store, 'On the Square,' Happy New Year." The next ad related: At The Electric Theatre, corner of Baltimore and E. Middle Sts. Admission five cents, Two Reels, "Crazed by Jealousy," Cabbie's Wife," "Music Hath Its Charms," Illustrated Song, "When the Violets Whisper Marie." Seligman & Brehm, tailors and outfitters, advertised "We are discontinuing the sale of skating and Boys' Winter Caps and will sell all that we have on hand at cost. All Colors, at All Prices, 25c to 75c. They will make very desirable Christmas gifts."

Spalding Brothers announced they "will buy Carload of Calves At Top Market Price Next Week Monday's Times will tell what day we want them." Shell Oysters could be obtained "By Plate or Measure at Bumbaugh's Restaurant, 10 Chambersburg St." and "Florida Oranges never so cheap, large in size, 15, 20, 25 and 30 cents a dozen. By the box, \$2.75. People's Cash Store."

Ralph R. Buvinger was proprietor of the paper and Philip R. Bickle, News Editor.

Prosperous Year Ahead: Gettysburg and Adams County entered upon the New Year with the prospect of enjoying the most prosperous twelve months that have ever been known in their history. The year just past has been one of advancement and prosperity in our vicinity and a continuance is assured for 1909.

During the past year four new banking institutions were opened in Adams County, all of which are enjoying a successful existence. Merchants in the town and county report a year of successful business and all claim that prosperity has abounded in our midst during the past twelve months.

Improvements have been numerous in both town and county. Many new buildings have been erected. People seem to be taking a pride in the appearance of their property. Those living in the rural districts have been especially active along those lines while the towns have been making numerous changes.

Gettysburg presents a far better appearance than one year ago. The streets, which were, at that time, subject for much unfavorable comment, have, through the management of the Town Council, been gotten into very acceptable condition. New pavements have been laid in large numbers. The paint brush has been applied freely. Many changes to properties have been made and one would notice a great change if he were able to inspect Gettysburg a year ago and then Gettysburg today.

End Of The Year Social Events: Gettysburg was unusually quiet New Year's Eve and there was little demonstration when 1909 arrived. A few whistles were blown, there was some shooting and a little other racket, but the noise in other years has been much greater. There were numerous small parties and social gatherings in town while many families "sat out" the old year. As usual the business places of the town closed for New Year's Day.

Today's Talk

MIRACLES OF MIRACLES

I wonder which of the two great inventions have meant most to the world, the telephone or the electric light. Both are invented miracles. I once met and talked briefly with Edison, who was one of the great greats. I once met one of Alexander Graham Bell's assistants at Baddeck, Nova Scotia, and visited Bell's grave on a high hill near Baddeck. A boulder with the names of Alexander Graham Bell and his wife is there in that beautiful spot.

Edison gave light to all the world. Bell and his helpers made it possible, finally, for the human voice to travel over the entire world, even where no wires are used, but the improvements alone are amazing. Some day we shall be able to have a picture of the one with whom we talk, right before us in answer to our call. Like a huge net is this earth covered by electric lights and telephones. I once spent hours with Dr. Jehl, the last assistant to Edison at the time the light worked. He showed me all the many inventions of this remarkable man. Two great benefactors.

We are so used to the telephone that it comes to us like a good messenger. Millions of electric lights sparkle like diamonds in the Milky Way, at nighttime. That famous first message, "What hath God wrought!" can well be applied to both of these giant gifts to all humanity. I still am filled with wonder at the sound of the human voice from a beloved friend or from one deeply loved.

I recall how thrilled I was to talk by telephone from Chicago to New York. Now it is possible to talk to all Europe, or Hawaii, or Alaska! Who will be first to get through a message to the moon?

Tomorrow Mr. Adams will talk on the subject: "Don't Lose That Grip!"

Just Folks

TO THE QUITTER

The world won't care if you quit,
And the world won't whine if you fail.

The busy world won't notice it
No matter how loudly you wail.

Nobody will worry that you
Have relinquished the fight and gone down.

For it's only the things that you do
That are worth while that get you renown.

You needn't make good if you don't
Think the struggle to do so worth while.

But weep over that, the world won't
For the world will continue to smile.

You can't harm the world by your post,
Or refusing to give it your best.

There are too many good men about
Who are eager to face any test.

The quitters are quickly forgot,
On them the world spends little time;

And few ever care that you've not
The courage or patience to climb.

So give up and quit in despair,
And take your place back on the shelf.

But don't think the world's going to care;
You are injuring only yourself.

in various parts of the Adams County were held and the day was spent in fun and pleasure by almost all parties.

Euchre And Dance: The Ladies Auxiliary of the Sons of Veterans Reserves held a most delightful dance and euchre in the Armory on Carlisle street Thursday evening. The affair was attended by between fifty and seventy-five people. The evening was spent in playing euchre followed by dancing until the New Year was ushered in. The music for the occasion was furnished by Dr. Stewart's orchestra. The Armory was very prettily decorated with bunting and flags.

Rural Carriers Issue Protest: The rural carriers throughout Adams county are issuing their annual protest to their patrons who put pennies in the mail boxes instead of purchasing a supply of stamps and keeping them on hand to use as needed. The carriers mildly protest in the Summer time, but in the Winter months they are especially inconvenienced by this practice. The carriers must either take off their gloves to get the money or spend quite a lot of time trying to get out the money with their gloves on. The rural men who are taking the mail through out the entire county every day are very anxious that their patrons discontinue this practice and frequently request us to make an appeal in this matter.

Working Women— Misconceptions Hurt Job Chances Of Older Women

EDITOR'S NOTE: Despite general opposition, older women are going to work in ever-increasing numbers after raising their families. This second in a series of three articles explains what is happening to the modern woman's pattern of life.

By CYNTHIA LOWRY

NEW YORK (AP) — Today's woman lives 11 years longer than the 1900 model. She is marrying younger, completing her family sooner and then, in spite of general opposition, going back to work.

Public opinion so far has not kept pace with this fact of modern life. Many employers take a dim view of hiring older women workers, and some labor unions oppose the idea too. But the experts say that in seven short years, this mature matron will be the only answer to an anticipated manpower shortage.

At this moment in a changing woman's world many a middle-aged woman with grown children is eager to get a job — to supplement the family income, to keep busy. She is likely to find it hard to land, even when employers are short-handed.

Secretary of Labor James P. Mitchell says in the National Manpower Council's newly published "Work in the Lives of Married Women" that employment opportunities have been denied older workers by discriminatory practices and because of out-and-out myths.

Several Objections

"In the past, many management men have had an employment policy completely dissociated from union rules, by which they would not hire anybody over 40," the secretary asserts. "Their reasons were varied: pension considerations, or the expectation of absenteeism problems, or welfare and health difficulties. In this area, management could change its policy with less difficulty than it expects."

Personnel expert Howard S. Kaltenborn outlines in the book some of the most often heard reasons for restrictions on hiring older women: they are slower and thus less productive; absent from work more often than younger women; higher turnover; less mechanical ability than men; emotionally more unstable; more inflexible and set in their ways; greatly increase the cost of financing employee pension plans. "Most of these alleged liabilities of older women workers are based on hearsay and uninformed opinion, or at best on isolated examples," says Kaltenborn. "The few limited studies that have been made indicate that some of the most widely held of these employment beliefs are erroneous."

Better Records

One detailed study found no difference in job performance between younger and older women workers; little difference in absenteeism — and that older workers had better job turnover records than younger ones.

In spite of barriers and handicaps, however, women in their 30s, 40s and even 50s continue to reenter the labor force in increasing numbers. A recent Census Bureau report found that "the continuing upward trend in working women 35 years old and over has been one of the most striking labor market developments in the past several decades." Since the end of World War II, the number has jumped by 50 per cent while the numbers of younger women has increased by 5 per cent and of men by 10 per cent.

This is a logical development

WOULD CHANGE LOAN LIMITS

HARRISBURG (AP)—The Constitutional Revision Commission came up Monday with a far-reaching proposal to use actual market values instead of real estate assessments to determine local borrowing limits.

If adopted, it would give local governments, including school boards, a much greater borrowing capacity. Assessed values now range from about one-fifth to three-fifths of market value.

The constitution presently limits the debt of counties, cities, townships and school districts to 2 per cent of assessed valuation of real estate in the political subdivision. Beyond that—to a ceiling of 7 per cent—borrowing must be approved by the voters.

Under the new proposal, the 2 per cent ceiling would be retained—but not the 7 per cent. The Legislature however would have the right to impose whatever restrictions are needed.

The commission, at a meeting Saturday, also followed through by supporting once again its previous recommendations that authorities be abolished as a debt-creating device.

for the women involved. Professor Esther Lloyd-Jones of Columbia University points out in her report that the average woman today has her last child at age 26, lives to be 75 and has 40 years to live as an adult, many of them without responsibility for raising children. At the turn of the century, a woman's youngest child married and left home about 10 years before the mother might be expected to die.

"We know that women's behavior, as they enter the labor market, is haphazard, for the most part opportunistic, that it involves little individual planning, and that it finds almost no channeling either from precedent or from counselling agencies," said Professor Lloyd-Jones. "Mature women are going back into the labor market in spite of social resistance and in spite of a considerable amount of verbally expressed opposition to its happening."

And far-sighted employers, implies the tone of the entire book, better get with the trend if they hope to survive.

ASK PUSH ON SPACE PLANS

WASHINGTON (AP) — Democrats plugged for accelerated missile and space programs today on the eve of the opening of a new Congress heavily dominated by their party.

Top Democrats, including Senate Majority Leader Lyndon B. Johnson of Texas and his assistant, Sen. Mike Mansfield of Montana, expressed disappointment with the 40-9 billion-dollar defense program reportedly outlined by Eisenhower and his aides at a White House meeting with leaders of both parties Monday.

Mansfield said the briefing was so sketchy that "the proper committees are going to have to go into these matters in much greater detail" before Congress knows where the country stands in relation to Soviet accomplishments.

Sen. Henry M. Jackson (D-Wash.), a member of the Senate Armed Services and Senate House Atomic Energy committees, said the Russian cosmic rocket success means the Soviets have seized the initiative again.

Secretary of State Dulles was reportedly concerned about growing Soviet military strength and space progress.

Holiday Death Toll Near Guess

CHICAGO (AP) — The nation's traffic death toll during the long New Year weekend, a final count shows, was 377—13 less than the National Safety Council's preholiday estimate.

Final tabulations for the four-day period from New Year's Eve to midnight Sunday also showed 61 persons lost their lives in fires and 113 were killed in miscellaneous type accidents for an over-all total of 551. The traffic toll compared with the record 409 set in the four-day New Year holiday period of 1956-57.

KEY WEST, Fla. (AP) — The City of Havana ferry arrived at Key West Monday with 265 passengers who had been stranded in revolt-torn Cuba.

It was the second trip for the ocean-going ferry since President Fulgencio Batista fled the country. It brought 500 passengers from Cuba to port here Saturday.

J. Horn Jr. had the high individual series with a 791 while K. Rhoads rolled a 266 for the high individual game.

PETTIT, HAGAN PACING HAWKS

NEW YORK (AP) — The league's most prolific scorer, Bobo Pettit, and teammate Cliff Hagan are providing the St. Louis Hawks with the most potent one-two punch in the National Basketball Assn.

Pettit, the former LSU star, remained in first place in the loop's individual scoring race for the fifth straight week. League statistics released today showed he has hiked his total to 941 points for a 28.5 average, a clip exceeding George Mikan's 28.4 record pace set during the 1950-51 campaign.

A couple of notches below in sixth place is Hagan, the former Kentucky ace, who has amassed 764 points for a 23.2 mark. No other team has two stars so high on the list of top point-producers.

Trailing Pettit are Paul Arizin of Philadelphia and Elgin Baylor of Minneapolis, locked in a tie for the runner-up spot with 832 points, in figures counting games through Sunday.

Arizin has the edge percentage-wise over the Laker rookie, sporting a 25.2 average to Baylor's 23.8.

Next in line are Jack Twyman of Cincinnati, 808 and 23.8 and Detroit's George Yardley, 770 and 22.0.

Airlines Talks Hit Snag Today

WASHINGTON (AP) — Federal mediators hit an apparent snag early today in efforts to work out final details of a tentative agreement between American Airlines and its striking pilots.

"All I can say is that we seem to be making a little progress," Chairman Leverett Edwards of the National Mediation Board said after a lengthy negotiating session that ran past midnight.

He said another meeting was scheduled today in an attempt to end the 18-day walkout.

Approximately 1,500 pilots are seeking higher wages and fewer work hours on the new jet airliners American intends to put in service soon.

Lawrence To Tell Press His Plans

HARRISBURG (AP) — Governor David L. Lawrence will spell out his policy of dealing with the press Thursday at a meeting of the Central Pennsylvania Chapter of Sigma Delta Chi, professional journalism fraternity.

The meeting will be held at the American Legion Home (6-30 p.m.) and is open to editors and staff members of any state newspaper, in addition to chapter members.

John McNichol, Williamsport Gazette-Bulletin, is slated for election as president of the chapter, succeeding John Paget, of the Republican state committee's public relations staff.

KANSAS CITY (AP) — Football coaches Paul Dietzel of Louisiana State, Pete Elliott of California and Bud Wilkinson of Oklahoma have been honored by the Fellowship of Christian Athletes "for their outstanding contribution to advancing the Christian character of American youth."

Clarence (Biggie) Munn, athletic director of Michigan State and FCA president, announced the awards Monday.

COACHES ASK GOAL POSTS TO BE MOVED

By JIM KENSIL

CINCINNATI (AP) — College football coaches who scorned the two-point conversion rule have now learned to live and play with it. But they are seeking a compromise. They want the goal posts moved to the goal line.

The majority of delegates here for the annual convention of the American Football Coaches Assn., realize that the two-point rule, enacted suddenly a year ago by the NCAA Football Rules Committee, has won popularity among the fans and is not likely to be changed.

They contend, however, that putting the posts back on the goal line would make a more equitable game.

No Comment

Members of the AFCA Rules Committee, headed by former Columbia coach Lou Little, refused to comment on recommendations they would make to the parent NCAA for action at its rules committee meeting next week in Los Angeles. But Little was expected to have an announcement today.

Little's group met in closed session Monday, while many coaches on the sidelines had this general comment:

"I wish I were one that committee. I'd tell them how to straighten out this two-point business."

The American Assn., of College Baseball Coaches concluded its meetings today, topped off by a coach-of-the-year dinner honoring Rod Dedeaux of Southern California's NCAA champions.

NEW SIGNS IN GOP STRUGGLE

WASHINGTON (AP)—Sen. Barry Goldwater (R-Ariz.) withdrew his support for Sen. Thomas Kuchel (R-Calif.) as GOP whip today amid signs that Senate Republicans conservatives may strike back at rebellious liberals.

The liberal group has nominated Sen. John Sherman Cooper of Kentucky to oppose Sen. Everett Dirksen of Illinois for GOP floor leader, and Kuchel to succeed Dirksen as party whip, or assistant leader.

But the insurgents, captained by Sen. George D. Aiken of Vermont, appeared likely to let go unchallenged the re-election of three veteran Republicans to leadership posts.

May Be Opposition

The question was before a closed meeting of the liberal group today, but both Aiken and Sen. Kenneth B. Keating of New York said they favored naming no candidates for other posts.

This would mean that the 34 GOP senators, meeting Wednesday, rename Sen. Styles Bridges of New Hampshire as chairman of the party policy committee, with Sen. Leverett Saltonstall of Massachusetts as chairman and Sen. Milton Young of North Dakota as secretary of the Conference of All Republican Senators.

Kuchel thus far has no announced opposition for the whip's job, but Goldwater indicated there may be another candidate. He did not comment on whether he himself might seek the post.

CAGE COACHES PICK ALL-STARS

NEW YORK (AP)—The coaches of the National Basketball Assn. today selected 10 players to play in the East-West all-star game, Friday, Jan. 23 at the Detroit Olympic. Ten players previously had been selected by the basketball writers and sportscasters.

Haskell Cohen, league publicity director, said the all-star game will be carried on network (NBC) television at the time during which the Friday night boxing bouts normally are carried.

The Eastern coaches picked Dolph Schayes, John (Red) Kerr and Larry Costello of Syracuse, Woody Sauldsberry of Philadelphia and Richie Guerin of New York.

The Western coaches named Jack Twyman of Cincinnati, George Yardley and Dick McGuire of Detroit and Larry Foust and Dick Garmaker of Minneapolis.

Bullets Wing Crusaders For Easy 89-41 Victory; Play At Navy Wednesday

Twelve Gettysburg College players broke into the scoring column Monday evening as the Bullets (2-6) recorded their second victory of the season by crushing an outclassed Susquehanna University (1-3) outfit 89-41.

A run of 15 straight points by the Bullets in the last five minutes of the first half broke the game wide open and sealed the outcome.

Neither team performed particularly well as the contest was loosely and erratically played but the Bullets were far superior, the height being a big factor.

The first point of the game came on a foul by Gene Witak of Susquehanna on a foul conversion after 1:16 minutes. Goals by Walt McGowan, Del Warfel and again McGowan made the score 6-1 after 3:53. The Crusaders got their last lead at 13-12 after 8:10 minutes on successive goals by Ron Allen and George Moore. A foul by Walt Melnik knotted the score. The game was tied again at 17-17 at 11:30.

Take Lead For Keeps

McGowan and Warfel landed double-deckers for the Bullets in the next two minutes and the Bullets were never headed. Bob Wilson and Bob Probert netted fouls for the visitors to slash the Bullets lead to 21-19 after 14:36 and then the Hultmen broke the game wide open with their scoring spree as Bill Fitzkee, McGowan and Marty Kaye provided the scoring punch. At half time the Bullets were on top 36-21.

Gettysburg was in command all the way thereafter as they bombed the cords for their new season high in scoring. Coach Huston tossed his entire squad into action during the last half while Coach John Barr of Susquehanna also employed all of his reserves.

CLOSE LEAD IN AHL SCORING

NEW YORK (AP)—Rookie Art Stratton of the Cleveland Barons today was only one point behind Ken Schinkel, the American Hockey League's individual scoring leader. This was the first time in 10 weeks that the Springfield star's lead had been seriously threatened.

The official statistics released today showed that Schinkel had 52 points on 26 goals and 26 assists while Stratton had 51 points, the result of 19 goals and 32 assists.

Stratton picked up five points in last week's games. Schinkel garnered only one point on a goal in Sunday night's game against Buffalo.

Right behind the leaders were Billy Sweeney of Buffalo with 47 points and Billy Dea, another Bison, and Harry Pidhiny of Springfield with 43 apiece.

Marcel Paille of Buffalo remained the leading goaltender although his goals-against average climbed from 2.13 to 2.43. Bob Bailey of Cleveland continues the loop's bad man with 106 minutes in penalties.

U. S. DOUBLES BEAT AUSSIES

PERTH, Australia (AP)—Peruvian Alex Olmedo and Barry MacKay, Dayton, Ohio, gained the semifinals of the men's doubles in the West Australian Tennis Championships today, beating Geoff Strang and Bruce Francis, Australia, 6-4, 6-3, 6-0.

The first foreign-seeded Americans toyed with their opponents under a hot sun at the Royal Kings Park courts.

The day's competition in the men's division was devoted entirely to doubles.

The singles quarter-finals are scheduled Wednesday, when Olmedo, hero of the Davis Cup Challenge Round, plays top-seeded Rod Laver of Australia. MacKay meets Sweden's Ulf Schmidt. The other American, Earl Buchholz of St. Louis, opposes 17-year-old Luis Arilla of Spain, and Andres Gimeno, Spain, meets Tony Ryan of Australia.

The other American doubles team of Buchholz and Chris Crawford, Piedmont, Calif., bowed in straight sets to the No. 1 seeded Australian pair, Laver and Warren Woodcock, 6-2, 7-5, 6-4.

McGowan was high man for the Bullets with 19 points. Fitzkee turned in his best performance of the season with 13 points and may have gained a future starting berth.

The Bullets take on powerful Navy at Annapolis Wednesday afternoon at 4 o'clock. In another academy gymnasium the Bullets freshmen will meet the Plebes at 4:30.

Hopkins Here Thursday

Both teams return to the local boards Thursday evening when the varsity clashes with Ross Sachs' Johns Hopkins squad while the frosh oppose St. Francis Prep of Springfield Grove in the preliminary.

BRADLEY BOWS TO CINCINNATI IN OVERTIMES

By DON WEISS

It turns out the Cincinnati Bearcats' basketball roster doesn't begin with Oscar and end with Robertson.

The mighty Big O of Cincy had some help Monday night as he and his mates survived their second Missouri Valley Conference test of the season. With Ralph Davis and Mike Mendenhall, Cincinnati battled through two overtimes to nip the previously unbeaten Bradley Braves, 85-84.

Previously Cincinnati turned back touted St. Louis 57-50 in the Bearcats' Missouri Valley opener. All-America Oscar led the scoring with 28 points (slicing his average to 34.3) but it was Mendenhall's rebounding and Davis' five-point spurge in the second overtime that got the job done. Together, they also combined for 37 points, with Mendenhall getting 19.

The Cincinnati-Bradley match of power was the feature of a Monday college program that had eleven of the nation's top 20 teams in action. Only Bradley (No. 9 in this week's AP poll to No. 7 for Cincinnati), and fifth-ranked Michigan State fell from form.

The Spartans lost a big 10 match to Iowa, 80-68, indicating another topsy-turvy season among the Western Conference schools.

Among the other rated elite, Auburn (No. 6) ran its national leading winning streak to 20, nine this season, 60-47 over Mississippi; fourth-ranked Kansas State fought off Iowa State's rally for a 59-56 Big Eight victory; and eighth-ranked Northwestern stayed even with Illinois (No. 20) in the early Big 10 race with an 83-78 decision over Michigan; 11th-ranked West Virginia swamped Southern Conference foe Furman 100-66; and 12th-ranked Mississippi State whipped Alabama 81-64 in Southeastern Conference play. St. Louis, No. 14, and Marquette, No. 15, scored romping victories, the Billikens 79-62 over Pitt despite All-America Don Hannon's 30 points, and Marquette, now 10-1, over Chicago Loyola 70-59.

Clarence Wordlaw had 26 points and Dave Gunther 21 in Iowa's victory over Michigan State that cleared the way for Northwestern and Illinois to assume to Big 10 lead with 2-0 records. Willie Jones hit for 26 for Northwestern and Illinois got 18 apiece from Governor Vaughn and John Wessels in bouncing Wisconsin 77-51. Indiana, with Frank Radovich scoring 27, toppled Purdue 77-69.

Auburn Wins
Auburn, top challenger to top-ranked Kentucky in the SEC, outclassed Mississippi with a balanced attack led by Henry Hart's 16 points. Mississippi State, its 10-game streak shattered by Auburn Saturday, bounced back to beat Alabama behind Bailey Howell's 26 tallies. Florida surprised LSU 69-63 and Georgia measured Tulane 70-63 in other league games.

Towering Bob Boozer and Wally Frank combined for 32 points for Kansas State to beat Iowa State in the Big Eight feature. Surprising Oklahoma handed Missouri its sixth straight loss, 64-59, Colorado beat Nebraska 57-50 and Kansas whipped Oklahoma State 58-49.

41st For W.Va.
West Virginia's rout of Furman was the 41st straight Southern Conference victory for the Mounties and their 28th straight home victory.

John Frye furnished the heroics in the Atlantic Coast Conference, twisting under for a basket with two seconds left to carry Duke over Wake Forest 58-57. South Carolina of the ACC ended a seven-game losing slump, topping Clemson 83-69.

Princeton opened its Ivy League campaign 72-57 over Penn, and Cornell jumped Columbia 68-52. Brown scored nine straight points in overtime and defeated Harvard 68-63.

Washington and Oregon State bagged their first Pacific Coast Conference triumphs. Washington downed UCLA 68-63 and Oregon State whipped Stanford 68-56.

KEN VENTURI COMES BACK TO WIN OPEN

By BOB MYERS

Associated Press Sports Writer
LOS ANGELES (AP)—The 1959 winter golf season was off to a rousing start today with good-looking Ken Venturi a spectacular winner of the first tournament on the rich money trail.

As the nomadic professionals headed for the next stop, the \$20,000 Tijuana Open in Mexico Friday, Venturi counted the \$5,300 he picked up off his tremendous come-from-behind victory in the \$35,000 Los Angeles Open.

At tee-off time at the Rancho Golf Club Monday the 27-year-old pro from Daly City, Calif., played in a threesome with Joe E. Campbell of Knoxville, Tenn., and amateur Phil Rodgers of La Jolla, Calif., which attracted practically nobody.

Poor Start

The gallery, braving cold, was trailing the leader, Art Wall Jr., Billy Maxwell, National Open Champion Tommy Bolt, Mike Souchak and two youngsters, Doug Sanders and John McMullin.

Venturi was eight strokes behind Wall after mediocre rounds of 72-71-72 for the Rancho Club's par 36-35-71.

So all Venturi did was knock out two birdies and two back-to-back eagles on the first nine holes for a course record 30, blast on in with a 33, post a 63 for 278 and sit back to see if Wall could crack it.

Not Enough

Wall made a gallant bid, but it was not quite good enough by two strokes.

Wall had gone into the lead with scores of 71-68-68 for 207, and his last round 73 beat such threats as Maxwell, Bolt, Souchak and company.

But it couldn't overcome Ken's marvelous round. Venturi's first two birdies came on putts that traveled 12 and 18 feet. His first eagle came when he whacked a 2-iron on his second shot on the 542-yard eighth hole 18 inches from the pin. It only took a tap to sink the ball.

He followed with a putt from down below the ninth green that traveled some 40 feet.

Shatters Record

The 30 broke the course 9-hole record of 31 set by Bolt in 1956. Venturi took a bogey four on the 12th when his ball hit a spectator. But he birdied the 14th and 16th holes with 20 and 3-foot putts, and birdied the 18th with a 12-foot putt.

His 63 equalled Bolt's course record, also set in 1956.

Wall collected \$3,400 for his 280, while the runner-ups were: Maxwell, 72 for 281 and \$2,200; and Sanders, 74 for 282 and \$1,000.

Bolt and Souchak had 73s for 283 and a tie with Paul Harney and amateur Allen Geiberger of Santa Barbara. The pros got \$1,533.33.

CHESTER, Pa. (AP)—Manager of the Year Danny Murtaugh, who led the Pittsburgh Pirates to second place in the National League last year, has received another honor.

The Chester and Delaware County Chamber of Commerce Monday presented Murtaugh and first basemen Mickey Vernon of Cleveland with certificates of achievement.

Murtaugh and Vernon, who live in the Chester area, received the certificates "in recognition of their part in building a better community."

WILDCATS OF KENTUCKY IN LEAD 3RD WEEK

By BEN OLAN

Associated Press Sports Writer
The unbeaten Kentucky Wildcats—boasting 11 victories, the longest season streak of the country's major teams—held down first place for the third consecutive week today in The Associated Press basketball poll.

But North Carolina State, Auburn and St. John's (N.Y.) all made notable gains.

On the strength of victories over Cincinnati and Michigan State in the Dixie Classic, North Carolina State moved into second place. The Wolfpack, fifth a week ago, collected 30 votes for first place and 1,115 points in the balloting by 137 sports writers and broadcasters.

Auburn Climbs
Kentucky, however, garnered 81 first place votes and 1,245 points on the usual 10 points for first, 9 for second etc. basis. The Wildcats padded their victory total by three last week. They will go after their 12th straight tonight at Vanderbilt.

Auburn climbed from ninth to sixth place. The Plainsmen whipped previously undefeated Mississippi State for their 19th straight over a two-year span.

St. John's, winners of the ECAC Holiday Festival, zoomed into 10th position. The voting was based on games through last Saturday.

General Suffle

There was an almost complete shuffle in the other positions in the top 10.

North Carolina moved up a single notch to third place. Michigan State bounced back from its N.C. State setback to edge Indiana. This triumph enabled the Spartans to advance two spots to fifth place. Cincinnati, which also lost to North Carolina, tumbled from second to seventh. Kansas State slumped one place to fourth.

Two Illinois teams, Northwestern and Bradley, held the other positions among the nation's elite. Northwestern was ranked eighth after beating Iowa and Notre Dame.

Bradley jumped from 10th to ninth after trouncing Drake Saturday for its eighth straight triumph.

Top Twenty Teams

Top 10 teams with first place votes and won-lost records through Saturday, Jan. 3 in parentheses points on a 10-9-8 basis:

1. Kentucky (81) (11-0) — 1,245

Waynesboro Hi Here Tonight To Oppose GHS

Waynesboro, lone challenger to Carlisle in the first half race of the South Penn Basketball League, tangles with the Gettysburg High Warriors here this evening. The surprising Indians are unbeaten in league play with a 3-0 mark while Carlisle, defending champion, is on top with a 4-0 mark.

At 6:45 the junior varsities meet.

In other league games tonight Carlisle plays at Hershey, Shippensburg at Chambersburg, and Hanover at Mechanicsburg.

Delone Catholic is host to the Westminster Owls this evening.

Six Adams-Franklin County League games are on schedule as follows: Bermudian at Fairfield, Big Spring at New Oxford, Littlestown at Biglerville, Fannett-Metal at Buchanan, Quincy at Scotland, and Greencastle at St. Thomas.

WORLD ON WHEELS THE DRIVER'S SEAT

By FLOYD CLYMER

AND DRIVING HABITS — With winterizing your car the coming of winter, and snow, sleet and icy roads in some sections of the United States, there are many things a car driver should prepare for, if he has not already done so.

Recently California Highway Patrol Commissioner B. R. Caldwell stated that a few simple rules, if followed, would help you winterize your driving — and these can apply in any state — and he listed the following:

1. Be sure your brakes, tires, windshield wipers, and steering mechanism are in top condition.

2. Keep all windows and the windshield clear at all times. Peephole driving is hazardous; clear the entire windshield and all windows before driving.

3. Slow down in wet weather. Wet pavements are slippery and require extra stopping distance.

4. Obey all traffic rules and regulations; drive in the right-hand lane except when overtaking and passing another car or preparing to turn left. Move with the normal flow of traffic and properly signal each intention to turn or change lanes.

Cites Precautions

Not only should the driver consider his or her own driving habits but there are certain precautions that should be taken to prepare the car for winter driving. There is more drain on the bat-

tery in winter months. The battery should be checked often, as should brake fluid, tire treads, and antifreeze solution for those who reside in cold climates. The winter months are usually tougher on windshield wipers than at other times of the year and these should be checked and replaced if necessary.

Driving over snow-covered or icy roads also presents a problem for the inexperienced driver. Too many are inclined to apply the brakes so quickly or so hard that the wheels lock — which can cause serious accidents. Actually, any car can be stopped quicker with just the right amount of pressure on the brake pedal and the right point is just before the wheels lock. Drivers who practice and do a little experimenting can determine almost the exact brake pedal pressure that should be applied on icy or snow-covered roads.

Sales Increase

AUTO SALES ON INCREASE — Business news for the past few weeks has indeed been good and this is especially gratifying to all those connected with the automotive industry. November and the first half of December sales averaged 17,000 cars per day, or an eleven per cent increase over the daily average for the two preceding months. Chevrolet is producing at a sizzling pace and all Ford Division makes have had tremendous sales increases since

Think you're a good driver? Then how much do you know about night driving, the toughest kind of traveling there is?

Fifty-four per cent of all those killed in traffic accidents last year failed this test. Would you?

1. At night you see as well traveling 60 m.p.h. as at 40 m.p.h. True or false?

2. The biggest danger in night driving is fatigue. True or false?

3. Traveling a two-lane, unlighted highway at 60 m.p.h. on a clear night, you suddenly see on the roadway ahead a car with no lights. You could stop soon enough to avoid hitting the car ahead. True or false?

4. A driver has 20/20 vision. So does his son. Both of them see equally well at night. True or false?

5. You can see traffic signs better during the day than at night. True or false?

6. The darker it is the more dangerous it is to drive at night.

the introduction of their 1959 models.

For the first fifteen days of December, Pontiac sales were the highest of any similar period since 1956, and unfilled orders totaled almost 30,000. Studebaker-Packard were in the black for October and November — the first time the company has shown a profit since 1953. The acceptance of the new Lark is responsible and the company has as yet been unable to catch up with the orders placed by dealers. Oldsmobile, likewise, is having a tough time in catching up with orders. Most Chrysler car dealers are far behind on deliveries, but even with excellent sales the serious strikes in recent months have affected production in most of their divisions during the last quarter of 1958.

Safety Council Plays Games To Save Lives

By Jeanne Smith
Safety Consultant

Special Christmas courtesies, extended to motorists and pedestrians by the Los Angeles Safety Council, help make the holidays both happier and safer for residents of the West Coast city.

One year the safety group published a list of "amateur" driving habits. Then they announced through newspapers and radio a new game for holiday motorists called "Spot the Amateur."

Purpose of the game was to urge motorists to avoid contact with amateur drivers. Since no driver wants to be considered a novice, the game also deterred motorists from pulling "amateur driving" boners.

At another Christmas season, the council prepared a travel time list to various holiday vacation spots for use by newspapers and radio stations. Normal driving times were first determined, and then additional time was added to allow for increased holiday traffic. To arrive safely at their destinations, drivers were urged to follow the time schedules.

Another Christmas project of the Los Angeles safety experts is to place on every restaurant table and counter a sign reading "For Holiday Safety — make that 'one for the road' coffee."

Through these special Christmas safety programs, the Los Angeles Safety Council spreads good common sense as well as good cheer.

True or false?

The Answers

1. False. At higher speeds your ability to see objects is greatly reduced.

2. False. The inability of the unaided human eye to see hazards at night is the cause of most after-dark accidents.

3. False. It would take at least 366 feet to stop but headlights on the average car illuminate only about 300 feet ahead. Seven states are combating this visibility problem by issuing safety plates that have a reflective material on them. The plates of some states can be seen from 2,000 feet away.

4. False. The son sees better at night. Night vision decreases with age.

5. False. Modern traffic signs made of reflective material show color and lettering better at night because they contrast with the surrounding darkness.

6. False. The most dangerous driving is at dusk, between five and six o'clock. The confusing half light, heavy traffic volume and ill-marked hazards are among the factors contributing to the problem.

There! That should have been easy for a good driver like you. If you missed just one question or more, beware — it took just one night driving mistake to kill nearly 21,000 drivers last year!

ADVERTISE IN THE TIMES

Littlestown

UNION SERIES OPENS MONDAY

The annual preaching mission in Littlestown opened Monday evening, with nightly services for the week at 7:30 p.m. in St. Paul's Lutheran Church. The Rev. Dr. Viggo Swensen, pastor of Zion Lutheran Church, Harrisburg, the guest minister, used as the subject of his opening message, "The Church Is People."

Dr. Swensen told his congregation that "It is natural for the members of all congregations to quarrel over trivial matters until something of importance confronts them and a real need is felt, then they will stick together and help; these are the same type people Christ had in his church."

The order of worship was in charge of the Rev. David S. Kammerer, supply pastor of the host church. An anthem was sung by St. Paul's Senior Choir. Mrs. Winfield A. Lipsey, host church organist, presided at the console throughout the service. At the conclusion of the service, the benediction was pronounced by the Rev. Mr. Kammerer. Attending the service in a body were the members of the Littlestown Junior Chamber of Commerce, the Women's Guild of Redeemer's Church of Christ, the Brownies and Girl Scouts of the community and their leaders.

The mission this evening at 7:30 o'clock will be in charge of the Rev. G. Howard Koons, pastor of Christ United Church of Christ. The Rev. Dr. Swensen will speak on the subject "The Church Is People." An anthem will be sung by the Christ Church Choir.

The Cubs of Pack 84 and their den mothers, and the Boy Scouts of Troop 84 and their leaders, in uniform, will attend tonight's service in a body.

"The Church Is Sharing" will be the topic of Dr. Swensen's message on Wednesday evening. The Rev. William C. Karns, pastor of St. John's Lutheran Church, will conduct the worship. Members of the Littlestown Lions Club will attend the service on Thursday in a body.

Returned to Pen by Dad

BOISE, Idaho (AP) — Mary Ann Gardner headed home to El Monte, Calif., after escaping the Idaho Penitentiary Dec. 28. Monday, her father brought her back.

Al Gardner stayed only long enough to surrender his 21-year-old daughter to Warden L. E. Clapp. Then he, his wife and a grandmother started home.

Clapp said he suggested Gardner turn his daughter over to California officers when the father telephoned last weekend. "No, I'll take her back myself," he quoted Gardner. "We'll drive all night if necessary."

He described the father as "quite a forceful man on his ideas of right and wrong. There was only one thing in his mind and

DOPE PEDDLERS GET 25 YEARS

CAMDEN, N. J. (AP) — James Santore, 43, of Philadelphia, and Peter Casella, 50, of Ventnor, N. J., convicted narcotics peddlers, have been sentenced to 25 years in prison.

However, U. S. District Court Judge Thomas M. Madden directed Monday that the men serve the time concurrently with other sentences imposed previously.

Santore previously had drawn consecutive sentences in Camden, Philadelphia and New York totaling 43 years. Casella previously had been sentenced in New York to 40 years.

All of the sentences resulted from raids by narcotics agents in Williamstown, N. J., and New York City last Jan. 23. Officials said about 7 million dollars worth of narcotics were confiscated.

Both men were held without bail pending appeals.

LEWISBURG, Pa. (AP) — Judge Frederick V. Follmer Monday denied a petition asking that the conspiracy trial for Philadelphia Congressman William J. Green Jr. and six codefendants be transferred to Philadelphia.

The trial is scheduled to start here Jan. 12. There has been no indication so far as to whether attorneys would appeal the decision.

KEEP CAR FIT FOR WINTER

A maintenance program to keep automobiles fit for operation in zero temperatures is suggested to help prevent repetition of the freezups experienced by many motorists recently.

The following are the principal causes of trouble:

1. Heavy oil, which congeals and wears down even a fully-charged battery.
2. Weak batteries. A battery showing only one-quarter charge will freeze at 13 degrees above zero; at half-charge it will freeze at zero, but it is good for 98 below when fully charged.
3. Insufficient anti-freeze.

4. Frozen ignition parts.
5. Grease on the starter spring which prevents the starter from functioning.
6. Water freezing in gas strainer and gas lines, preventing flow to engine.
7. Poorly adjusted and dirty ignition points.
8. Improperly adjusted spark plug gaps, and/or fouled plugs.
9. Brakes frozen to the drums.
10. Points in automatic voltage regulators sticking, not only preventing battery from charging, but causing a leakage of existing voltage.
11. Improperly fastened, corroded or dirty battery cable connections.

YOUTH GROUPS

MEET SUNDAY

The Junior High Youth Fellowship of Redeemer's United Church of Christ met on Sunday evening at the parsonage on Maple Ave. Sixteen young people were in attendance and the program included hymn singing; story, "God's Present," told by Mrs. Glenn Flinchbaugh, adult counselor; poem, Elaine Bridinger; closing prayer, Janice Evans.

During the business period, plans were made to sell stationery as a fund raising project. It was decided to hold one of the weekly meetings each month in the home of a member, and there will be no meeting on the last Sunday of each month. Barbara Bittle was appointed to be leader for the meeting on Sunday, 6:30 p.m. at the church. At the conclusion of the business, group games were played. Refreshments were served by Mrs. Flinchbaugh, assisted by Mrs. Wilbur J. Goebrecht and Miss Jane Currans, adult counselors.

The Senior High Youth Fellowship of Redeemer's Church met at the church on Sunday evening. The pastor, the Rev. Glenn Flinchbaugh, showed a sound motion picture, "The Sun Goes North," telling the story of shipping citrus fruit from the southern states to the north. The worship service was in charge of Richard A. Little Jr., adult counselor. There was hymn singing, accompanied by Sandi Hawk; offering; offertory prayer, Mr. Little. Business period in charge of the president, Judy Flinchbaugh. Phyllis Eby was appointed to be leader for the meeting next Sunday at the church, 6:30 p.m.

CE Society Meets
Bradford Wolfe was leader at the meeting of the Christian Endeavor Society of Christ United Church of Christ on Sunday evening at the church. The program follows: Group hymns, "What A Friend," "In The Garden" and "Heavenly Sunlight"; Scripture, Shirley Gerrick; topic, "Inventory Time," discussed by the pastor, the Rev. G. Howard Koons; Bible quiz, conducted by Donald L. Wolfe; business in charge of Donald Wolfe, president; secretary's report, Shirley Gerrick; hymn, "Sweet Hour of Prayer"; Lord's Prayer and C. E. benediction in unison. The society will meet again next Sunday at 7 p.m.

The Ladies' Auxiliary of the Fraternal Order of Eagles, Littlestown Aerie No. 2226 will meet on Wednesday at 8:30 p.m. in the social room of the Eagles Home. The members will attend the community preaching mission service before meeting Mrs. Anna Mellem and Mrs. Edna Whit

COURT CITES FORMER JUDGE FOR SERVICE

PHILADELPHIA (AP) — The Pennsylvania Supreme Court Monday honored Edmund C. Wingerd, of Chambersburg, who is leaving the State Board of Law Examiners after 15 years service.

Wingerd, a former Franklin County judge, who has just completed a third five-year term on the board, declined to accept another one. For of his 15 years he was chairman of the examiners. The board is appointed by the Supreme Court.

As the court opened its January term, Wingerd was called to the dais and praised by Chief Justice Charles Alvin Jones as a man who had instituted many reforms and had done much in every way to refine the services of the board.

"Flabbergasted"

In reply, Wingerd asserted "I am completely overwhelmed and flabbergasted."

He said he had found his job interesting and enjoyable.

In the crowded courtroom were all the members of his office staff.

The court started the new year with only five justices on hand. Justice Curtis Bok, second newest member, is recovering from a slight heart attack. Justice John C. Bell, Jr., is ill in his home.

It was the first sitting for Justice Thomas McBride, who was appointed by Gov. Leader late in the year to succeed the late Justice John C. Arnold.

Don't let those good juices escape from that broiled steak! Use tongs to turn it.

DEATHS

By THE ASSOCIATED PRESS
SAN FRANCISCO (AP) — Seymour Berkson, 53, publisher of the New York Journal American for three years, died Sunday of a heart attack. Berkson was a former general manager of International News Service, now merged with United Press International. He started his journalism career as a district reporter for the Chicago Herald and American while a student at the University of Chicago.

NASHVILLE, Tenn. (AP) — Fred Justin Lewis, 68, dean of the Vanderbilt School of Engineering for 25 years, died Sunday of a stroke. He was born in Blandford, Mass.

NEW BEAU FOR MEG

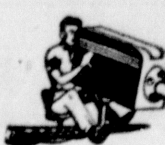

LONDON (AP) — There's a new entry in the Princess Margaret hand-holding stakes today — Lord Plunket, handsome, aristocratic, 35 and a bachelor.

The word is that the eligible bachelor, an official escort to the royal family, is acquiring a royal girl Margaret above and beyond the call of duty.

Lord Plunket is the deputy master of the royal household. Margaret and the rest of the royal family call him Patrick.

FRANKFURT, Germany (AP) — A German missile expert Monday estimated that the Soviet cosmic rocket must have had a thrust of about one billion pounds. He added this was something the Americans will only achieve in about a year.

The expert, Heinz Gartmann, member of the German Society for Space Research, said in an article in the Frankfurter Allgemeine Zeitung he also estimates the initial weight of the Soviet rocket was at least 250 and possibly as much as 400 tons.
